1. The area of the former SCHOENWERDER (N 54/2 04) improvised airfield near PRENZLAU (N 54/4 04) was requisitioned by an unknown Soviet authority about 1 August 1949. The farmers were ordered to immediately gather their vegetables.
2. Although there were no preparations for the construction of buildings, the area was guarded by a Soviet sentry.

 Comment: The accuracy of the report cannot be judged for lack of comparable information. It is possible that former improvised airfields were put in operation in connection with the maneuvers held in the Mecklenburg area.
